

Hi! I have a favor to ask of you: could you please ask Kari and your mother-in-law to list all the verbs they can think of that end in -nāq? so like sachnaq, petenaq, k'isinaq, etc. If you could please send me that list, along with any ones they say aren't possible, that would be AMAZING.

Here's a list of verbs they can try, in case they get stuck:

oyob'enaq? (esperar) NO
